It is hard for me to believe that my first year as President is about over. It has been a very busy year and greatly rewarding, thanks to the extra efforts of many people in the PalAm organization. I want to remember some members who are no longer with us who had a marked impact on my genealogy research and the beginnings of my service to PalAm. And, I want to say thank you to the many dedicated people who make PalAm the great organization it is.

I recall with special fondness Clara Harsh encouraging me and helping me achieve admission to the Kocherthal Circle. She was not willing to let me quit when I thought I could not find information needed for my application. Also, I recall Mary Lou and Bob Delahunt who provided leadership for many PalAm-sponsored trips to the Family History Library (now FamilySearch Library) in Salt Lake City; what a wonderful couple! We benefitted so much from those trips. Further, I must express my heartfelt thanks to Grace Saatman who recruited me to serve on the National Governing Board. She was so much fun to be around and so committed to PalAm. Of course, there are many more who made significant contributions to PalAm, such as Annette Burgert; what a privilege to have known her. Fortunately, there are many other PalAm members who keep the tradition of high-quality German genealogy research alive.

As President, I am trying to attend all six Chapters’ Seminars; most Chapters hold two Seminars per year. In addition to the Seminars, the PA Chapter holds monthly Third Tuesday sessions and OH conducts a German Forum Series of lectures. All Chapters help members by providing programs on interesting subjects related to German genealogy. Also, I love to attend all State Chapter Board Meetings. This allows me to become better acquainted with the leaders and learn of the many projects Chapters sponsor for their members.

I sincerely appreciate the talented leadership that is apparent at the National Governing Board Meetings. Each time we meet, I am reminded of the amazing people who share their skills and commitment for the benefit of members. Also, members of the many Standing and Special PalAm Committees donate their time and talents for the benefit of the Society.

Recently, I called Kay Mooney, Gerry Miller, and several other Society members who did not receive the mass mailing of an email about the upcoming Membership Meeting. After verifying phone numbers and email addresses, we enjoyed visiting about health, family interests, and PalAm experiences. At last year’s National Conference, I enjoyed visiting with Karen Campbell about her background in German genealogy. We have so many opportunities to make friends and share experiences about our research. It is a real blessing.

My wife and I love being a part of PalAm and all six State Chapters. It goes far beyond being able to say, “I know so and so.” Through our involvement in the Society, we can proudly call some members “Giants in German genealogy” and all members “friends.” That is why I want to help make PalAm the best German genealogy Society possible and encourage everyone who has an interest in German genealogy to become an active member. I ask all members to reach out, engage, and invite others to join us. Let’s grow together.
CALENDAR OF EVENTS

2023

9 Jun  PALAM ANNUAL MEMBERSHIP MEETING
        AT OUR ANNUAL MEMBERSHIP MEETING ON FRIDAY, JUNE 9, WE WILL VOTE ON AMENDMENTS TO THE NATIONAL BYLAWS. A COPY OF THE PROPOSED AMENDMENTS HAVE BEEN SENT TO EACH MEMBER BY EMAIL OR REGULAR MAIL.

9-11 Jun  IGGP Conference, Fort Wayne, IN. Please see page 10.

15 Jul  Indiana Chapter PalAm Collaborative Learning Series. Speaker Dr. Marianne Wokeck. Please see page 4.

7 Oct  New York Chapter PalAm Fall Seminar, Johnstown, NY. Save the Date!

All chocolate lovers today have one more reason to indulge in their favorite treats. June 11 is National German Chocolate Cake Day!
You can find hundreds of recipes for chocolate cakes. Black forest is, perhaps, one of the world's best, but German chocolate cake is not less popular. But you might be surprised, if we tell you, that German chocolate cake actually doesn't come from Germany. It's connected to a product called German chocolate, that was invented by Sam German, an Englishman, who worked in the U.S. German chocolate cake was originally called Baker's German's Sweet Chocolate. Later “s” was omitted, that added confusion with Germany.

If you want to bake German chocolate cake, enrich its batter with semi sweet chocolate, cocoa powder, coffee and vanilla extract. Use coconut-pecan frosting among the chocolate layers of the cake and decorate it with chocolate frosting atop. If you want, you may add some hard chocolate frosting on the sides. Original recipe doesn't contain it and it was added by some bakers.
The Colorado Chapter held the spring seminar via zoom in two parts a month apart at the request of the speaker, Mark Rabideau. Part One entitled “400+ Years of Mennonite-Anabaptist Migrations” had 53 registrants. Part 2 entitled “The Effects of Shifting Boundaries (Switzerland, France, and Germany) on Lives, Migrations, and Cultures” had 57 registered.

The value of zoom is having a broader attendance including out-of-state participants. We are planning our fall seminar to be hybrid with zoom and in-person attendance.

The Chapter’s annual meeting followed the second lecture where new officers were elected. President Sandy Carter-Duff fills the remaining 1 year term of Chris Paris. Vice-President Sandy Ronayne, Treasurer Jerry Schaefer and Members at Large Jean West and Jennifer Bigham were elected for 2 year terms.
COLLABORATIVE LEARNING SESSION:

EMIGRATION | IMMIGRATION

Special presentation to commemorate the 175th Anniversary of the 1848 Revolution
by
Dr. Marianne Wokeck

Saturday, July 15, 2023 — 1:30 PM – 4:30 PM
Michigan Road Branch Library
6201 Michigan Road, Indianapolis

Free of charge—open to the public

An interactive discussion will take place about the various reasons our German ancestors emigrated

- Were there differences depending on religion?
- What were the different reasons depending on the time period?
- Were there differences depending on where your ancestor lived?
- What records may exist as the result of your ancestor’s emigration?

We will also ask those attending to also share what they have learned about the reason their ancestors emigrated.

This event is open virtually to PalAm members of any chapter

If planning to attend, please RSVP to indianapalam@gmail.com
We had a very successful annual meeting in Buffalo, NY on May 6th. It started with a very informative history of Saint Louis Church given by church archivist/historian Michael Riester. Bonnie Fleischauer then spoke about the experience of German-Americans during World War I focusing on the anti-German hysteria of the time. We then had a memorable lunch at Hofbrauhaus, complete with liter sized beer steins, pretzels, a German band, and just a few shy of 99 red balloons. After lunch, Bonnie led us on a walk through Concordia Cemetery which was created in 1859 to serve three nearby Lutheran churches. Earlier in the morning, volunteers unearthed several gravestones that fell over years ago and have been buried and unknown for some time.

Thank you to all who helped make the meeting a success, particularly Linda Schmieder-Wopperer and Jay Wopperer!

The slate of officers elected to lead the New York Chapter in the coming years include:

- President, 2023-2025: Tom Shannon
- Secretary, 2023-2025: Wendy Loeffel Wallace
- Director at Large, 2023-2024: Holly Neel
- Director at Large, 2023-2025: Jay Wopperer
- Director at Large, 2023-2026: Michael Riester

Scanning the Hank Jones Collection letters is still ongoing. If you have any genealogy research questions that could be answered by materials in the collection, please email palatines@germantownlibrary.org.

We have a Fall seminar scheduled for Johnstown, NY on October 7th.

Planning for the 2024 PalAm National Conference in Kingston, NY, will begin in earnest in the next few weeks. We are planning on outings to genealogical resources at the Hank Jones Collection in Germantown, Saugerties Historical Society, and the Starr Library in Rhinebeck.

We are planning cemetery cleaning days for this summer at Eagle Mills Cemetery in Brunswick, NY and at the Old Stone Church in Rhinebeck, NY.
The Pennsylvania Chapter is continuing our series of Third Tuesday Zoom programs, presented at 7:00 PM EDT. There is no fee, but registration is required. Description and registration forms are available at pennpalam.org.

THE IGGP 2023 CONFERENCE EXPERIENCE

TUESDAY, JUNE 20, 2023

Pennsylvania Chapter members who attended the 2023 International German Genealogy Partnership (IGGP) Conference in Fort Wayne will offer a recap and review of their experiences, sharing some of what they learned or how the conference benefited them. Join us for this open-ended discussion. Please go to pennpalam.org and select the link you are interested in. Since Palam has submitted a proposal to host the 2025 IGGP Conference, a discussion recapping this year’s event will be helpful to the 2025 Conference Planning Committee.

TUESDAY, JULY 18, 2023

At the 18 July Third Tuesday session, James Beidler, the Interim Director of the Genealogy Society of Pennsylvania, will talk about the Society’s resources for German genealogy research both online and available at the GSP Library in Philadelphia.

Check pennpalam.org for future Third Tuesday programs.

MEMBERSHIP PROGRAMS COMMITTEE FORMED

President John Harder announces the formation of the Membership Programs Committee to provide additional services and resources for Pal-Am members. The recent closing of the Resource Center in Columbus has freed up funds that will be re-directed to this purpose. The Membership Programs Committee will meet periodically, via Zoom, to determine the best use of these funds.

Initial ideas include webinars and library support for the Pal-Am Collection at the Columbus Metropolitan Library and the Hank Z. Jones, Jr. Collection at the Germantown Library. If you like to serve on this committee or have an idea for the committee to consider, please contact Gary Martzolf, martzga@yahoo.com.

GERMAN CHURCH IN CAMBRIDGE, MA BURNS

CAMBRIDGE, Mass. (AP) — A fire that broke out at a Massachusetts church not long after Easter services is being investigated as a possible arson, according to the FBI and state and local law enforcement agencies.

The fire started about 5:30 p.m. April 9 at the Faith Lutheran Church in Cambridge. Firefighters from 18 engine companies and eight ladder companies responded.

It is a tragedy for German America, among other reasons, because Faith Lutheran Church is one of the few remaining congregations in the United States that regularly holds services in German. Its pastor, Robin Lutjohann, a native German, conducts German-language services monthly.

Part of the roof collapsed, but the main structure was still standing. The steeple, which survived the initial fire, was removed later. Images of the multi-alarm blaze showed heavy smoke coming from the steeple.

User: Write me a poem about German genealogy.

ChatGPT: In the land of forests, castles, and Rhine, Where history and tradition intertwine, Lies the roots of my family tree, A story of German genealogy.

From Bavaria to Berlin, they roamed, Their stories and struggles now atoned, Through war and peace, they persevered, And in their hearts, their heritage revered.

Their surnames speak of ancient lore, Of craftsmen, farmers, and warriors of yore, With each passing generation, Their legacy lives on in our nation.

Their traditions we continue to uphold, Their language we speak, their stories told, We celebrate their triumphs and their strife, For in their journey, we find our life.

In search of our ancestors, we trace, Their footsteps in time and space, To the lands where they once thrived, And in their memories, we revive.

Their spirit of resilience and pride, Their love for family and countryside, Their strength in the face of adversity, Inspire us to embrace our German genealogy.

It has been my pleasure to serve as the Editor of the Patter these years. I appreciate the friendships I have made and hope the new editor can continue with success.

Thank you
Lynn Patterson

INTERNATIONAL GERMAN
Genealogy Partnership

JUNE 9-11
FORT WAYNE, INDIANA

Fort Wayne has long been known as “a most German town,” with about 50% of its residents claiming German ancestry. The acclaimed Genealogy Center at Allen County Public Library (ACPL) will be the local host for the 2023 event, with support from local German societies, genealogical societies, and Visit Fort Wayne.

The 2023 IGGP International Conference will be held in downtown Fort Wayne at the Grand Wayne Conference Center and will offer three days of German-centric presentations in multiple tracks. A virtual option is also be available. Attendees will learn from top presenters with advanced proficiency in their fields of study, including genealogists, authors, historians and archivists. The schedule of presenters and topics can be found at https://iggp.org/cpage.php?pt=187

Those attending the conference will also have the opportunity to utilize the ACPL’s Genealogy Center’s historical and genealogical materials that number more than 1.2 million items in the physical collection. The library further offers access to dozens of major databases and thousands of smaller specialty data files. Researchers will have access to the expert staff who can assist them with finding their families’ histories and stories.
The conference will be held in-person in Fort Wayne, Indiana, June 9-11. But there is also a robust virtual option, with access to programming in real-time. And a USB drive is available for purchase, allowing all attendees to watch the recorded presentations.

Look for presentations from speakers in Switzerland, Austria, Ireland, Australia, Brazil, Serbia, and Germany. They do not usually present in the U.S. But you can hear from them at the IGGP conference! And, of course, U.S. experts in the field of German genealogy will speak as well.

Here are a few examples of those who will be in-person at the conference:

- Dr. Thomas Aigner from Austria, the man behind the website Matricula
- Viktor Pordzik, archivist at the Bremen State Archives and vice-chair of Die MAUS, the Bremen genealogical society
- Andrea Bentschneider, professional genealogist from Hamburg, with presentations on Mecklenburg and how to research in German archives
- Dr. Michael Lacopo with a brand new presentation about WWII SS records
- Antje Petty of the Max Kade Institute on hidden resources in German language newspapers
- Katie Schober will lead "Learn to Read Vital Records: A Workshop Experience" first for the IGGP conference

IGGP also will be delivering on two key aspects of its mission statement:

We'll give attendees the opportunity to CONNECT with others who share their interests. Our Connection sessions bring you together for informal meetings on a variety of topics. A sneak peek at a partial list includes research in historically German-speaking areas of Europe, finding records that aren't online, favorite research databases, using maps in German research, and working with professional genealogists in Germany. Our conference app, Whova, also allows you to post messages and organize your own meetups with others.

We'll SHARE German genealogical knowledge by sponsoring Librarians Day on Thursday, June 8. If you are a librarian or archivist who needs to answer questions about German genealogy research, our speakers will share their expertise with you.

This is a weekend not to be missed by anyone doing German genealogy research anywhere in the world. Register now. Go to iggp.org to register and to see more presentation titles, Connection topics and additional conference details. Questions may be sent to info@iggp.org.

The following nominees will be elected at the Annual Membership Meeting, June 9, during the IGGP Conference in Fort Wayne, Indiana.

Garry, whose full name is Arthur Garry Finkell, was born and raised in Albany, New York where he currently lives. He graduated from Fordham University in New York City and also earned a master’s degree in Industrial and Management Engineering from Rensselaer Polytechnic Institute in Troy, New York.

Garry taught math and physics for one year at St. Francis High School on the Rosebud Sioux Indian Reservation in South Dakota. He also created and coached the first football team at St. Francis High School.

Garry and his wife, Lucretia, spent their first year of marriage in Gallup, New Mexico at Church Rock Elementary School teaching Navajo children.

He also worked for many years as a research analyst for the State of New York. In 2005, he made a career change and moved into the field of data analysis and research in the areas of obstetrics and neonatology, first at Albany Medical Center and then as an independent consultant to hospitals in New York State.

Garry is a direct descendant of Johann Philipp and Anna Catherina Finckel, who arrived with 3,000 other German immigrants to the Colony of New York in 1710. These Palatine Germans came from various political entities in the Rhineland. Garry traces his descent from approximately 20 families who came from Germany to New York in the 1700’s.

Garry is a past president of the New York Chapter of Palatines to America (PalAm). He is currently the chapter treasurer and membership chair. He is one of the representatives of PalAm to the International German Genealogy Partnership (IGGP). In addition, Garry is a member of the Board of Directors of the IGGP.

Carol Edmund
Recording Secretary
(2 year term)

Carol retired from full time work as a CPA in October 2021 after 22 years. She has continued volunteer work for several Non Profit organizations since. Her association with PalAm began in 2005 when Dick Spielman was in charge. She attended strictly as a member for several years while she learned much from the speakers who came and presented their information. She became the Treasurer for Colorado PalAm and remained so for 4 years. The Director at Large position needed filling when John Harder became National President. He asked her to finish out his term and she agreed. She is nominated to be the national Recording Secretary.
Lloyd Shenberger
Director at Large
(1 year term)

Sally MacGowan is a member of Palatines to America, Colorado Chapter. She first joined the Colorado Chapter about twenty years ago when she discovered a Palatine ancestor, Johann Conrad Rickert/Rickard, lurking in her family tree. She became one of the first inductees into the Kocherthal Circle based on that descendancy.

The first COPalAm event she attended was a seminar at which Henry Z Jones, Jr., was the speaker; she was hooked. During a road trip to the National Conference in Fishkill, NY, in 2010, she sold her house in Denver (she quickly learned about e-signatures) and prepared to move to Lowell, MA. While in Lowell, she participated in the New York Chapter’s events, including preparation for the national conference in Buffalo, NY, in 2018.

Now she has returned to Denver where she’ll probably stay – it is her third time after all! Sally is originally from Wisconsin but has lived in many places, including five years in Spain and two in Peru. Ages ago she acquired degrees from the University of Minnesota and Simmons College in Boston, and is now retired from the University of Colorado’s medical library. This year she plans to attend the IGGP Conference in Fort Wayne, IN. Besides slipping away to the Allen County Public Library for some research on the side, she hopes to get reacquainted with old and new friends, especially those who didn’t make it to last summer’s terrific PalAm National Conference in Denver. Let’s not miss the opportunity to get together in Fort Wayne – see you there!

Lloyd is a native of York County, Pennsylvania. In 1978, his career took him to Houston, Texas. After retirement, he and his wife, Nelda, moved to the Texas Hill Country. He is a retired Certified Public Accountant.

His passion for family history began in 1992 when he caught the bug from a cousin. Most of his ancestors were German speaking from the German Empire, Switzerland, Alsace-Lorraine, and The Netherlands; some arriving as early as 1684.

He is a member of several local and national genealogical societies, and is the current Treasurer of the Pennsylvania Chapter of PalAm and the Washington Cemetery Historic Trust. He is a past Treasurer of the Genealogical Society of Kendall County Texas, and has held other positions in these societies. In addition, he volunteers at his local genealogical library and FamilySearch center.

His genealogical interests include 18th century German immigration to Pennsylvania, 19th century German immigration to Texas, German research, Pennsylvania research, and DNA. He states that one of his most rewarding accomplishments has been the discovery of my Schönberger ancestral hometown in Württemberg and being able to travel there and visit the church where his ancestor was baptized in 1690.

He has discovered that in addition to researching his own family, he really enjoys sharing his knowledge with others. He has given several presentations at local societies on his topics of interest.
NEW WEBSITE TIPS

WildApricot: Our new website is hosted on Wild Apricot (WA). WA provides us with a membership management system, a website builder, event management, online store and an online payment system. WA relies on your email address to identify your membership, so be sure to give us a stable email address that you use regularly. Please add Palatines to America (palam.org) to your email contact list or safe list to reduce the chances of our email messages being sent to your spam or junk email folder. Members who do not have an email address will still receive notices through USPS mail.

Logging In: You can view the public areas of the website without logging in, but you need to log in to the website if you want to 1) access Members Only content pages or 2) want to change your profile information or 3) renew your membership as well as other activities. https://palam.org/logging-in

Editing Your Profile: Some information in your profile is available for you to edit. You can change your membership name, email address, mailing address and phone number at any time. https://palam.org/editing-Profile

Online Payment System: We are no longer using PayPal for online payments. We are using AffiniPay, WildApricot’s own payment processing system. If you do not want to pay online, you can still mail payments.

PalAm Store: The new online store has two sections: a print catalog and a digital catalog. We now have PDF versions of *The Palatine Immigrant* volumes 1-26 available for download at $7.50 each. There are a few other digital items available also. The print catalog includes all later editions of *The Palatine Immigrant* for $7.50 each plus $5.95 for shipping and handling. The Print Catalog also includes the book *Palatine Migrations to Brandenburg and Pomerania* by Ernest Thode. https://palam.org/palam-store

Renewing Your Membership: Members will receive automatic email reminders when it is renewal season (beginning July 1). You can then renew from a link in the email or from your profile. During renewal season, you will also have a pop-up message in the lower right corner of web pages reminding you to pay your dues. Dues payments are no longer part of the online store, but is a separate process.

Donations: Donations are now separate from membership applications and renewals, and is not part of the online store. You can donate at any time, not just when you are renewing. Click on the link in the header on most of the web pages. https://palam.org/Donate

Events: When you click on the Events link, you will see a list of upcoming events with an option to click on “Details” to see more information. We are including all PalAm-related events, National and Chapter, and our partner organizations IGGP and NGS. You will be able to register and pay registration fees for National events, but you will need to register and pay registration fees for chapter events through the direct links to the chapter in the Event Details. There is also a summary list of Upcoming Events at the bottom of the Home Page. https://palam.org/events
